

Brookfield House School

MISSION STATEMENT

Promoting independence through learning and communication

To have high expectations for each pupil enabling them to achieve their full potential

To provide a broad and balanced curriculum designed to meet individual pupils' needs and abilities

To provide a safe environment which is stimulating, well resourced and promote quality teaching and learning

To assess and monitor achievement and progress regularly

To work within an atmosphere of mutual respect, dignity and care

To nurture co-operation between education, medical and therapy staff working as a team in partnership with pupils, their families and the school governors

To actively seek inclusion opportunities for life-long learning within the wider community for all pupils

To encourage children to be healthy, to stay safe, to enjoy and achieve, to make a positive contribution and to achieve well being.
